Summary: When Satris is given the chance to try Halo: Galaxies for free, he accepts with pleasure, even with his doubts. But when he becomes aware of a hacker clan that is planning on shutting down the VR network for good, he must use all his skills -learned in both the VR and real world- to stop them. Based on Halo: Galaxies by CommanderFlynn. Please give his story a read first!

Halo: Galaxies, Dust and Echoes

Halo Galaxy:

Dust and Echoes

Prologue

Halo Galaxies. The new installment of the Halo franchise, and possibly the most anticipated. Reviewing companies and critics had not given it the cold shoulder for long. 343i had launched it in the year 2112, and with the help of Axus almost everyone was playing it in a matter of months. The MMORPG had addicted many people to its cause, and Axus had begun to make huge towers in almost every major city, from Canada to India, allowing billions of gamers to play from all over the world.

Based on Halo: Galaxies by **CommanderFlynn****. Please give his a read before reading this story to fully understand.**
